### **IV. REGULAR AGENDA / NEW BUSINESS**

- 1. Motion by Vacha, seconded by Phillips to approve Mayor Brink's recommendation of appointing Joshua Svendsen as Chief of Police from January 1 through December 31, 2024. On roll call, AYE: Carr, Steinmeyer Phillips, Vacha. NAY: None. **MOTION CARRIED.**
- 2. Clerk Anderson advised Council that Chief Svendsen and Attorney Munderloh were sworn in and their Oath of Office has been signed and notarized.
- 3. Lyons Economic Development Committee members Jim Vlach, Cassie Myers, and Tina Ronnfeldt presented Council with an Economic Development Plan and a request to put LB840 on the May ballot. Vlach explained that LB840 is a .5% sales tax that could only be used to execute the economic development plan in the form of loans and grants. A local Citizen's Advisory Committee evaluates applications to determine if they meet the criteria prior to Council approval. A .5% sales tax would generate approximately \$64,000 per year and it also includes online sales. Vlach further explained that we are paying this tax when we do business in surrounding communities like Bancroft, Decatur, Tekamah, and West Point. Council Member Vacha and Phillips volunteered to meet with the committee to further review the plan. A Public Hearing and Resolution will be on the February agenda.
- 4. Tony Mathis with the Lyons Car and Bike Show Committee provided Council with a proposal for their show July 7<sup>th</sup>, 2024. Mathis requested council approval for street closure during the event. With two separate car show proposals, Mayor Brink stated that he does not feel Council should decide if one or the other can have their event. Since one show is on the 4<sup>th</sup> and the other on the 7<sup>th</sup>, they will allow street closure for both events. The Utility Department will provide barricades for the street closures.
- 5. Clerk Anderson let council know Ruth Cole will not be attending the meeting as she was satisfied with the new proposed ordinance but did request Council to give a credit for her demand charge. A discussion was held regarding Electric rates and the proposed ordinance setting a cap for businesses under 55 KW or 10,000 kWh to not be charged a demand rate and have a higher commodity rate. The ordinance also gives

Council would like to be proactive with the future of the utility department with two employees getting close to retirement age. Vacha stated that he is not against the hiring, but would like further numbers on the budget and the cost of benefits. Clerk Anderson stated that their insurance would depend on whether they had a spouse or dependents.
